We are ready to release records requested for correspondence with Congresswoman Kyrsten Sinema. The requester is Krystle Stump, who appears to be making the request as a private citizen.

The 29 responsive pages were pulled from DTS. There are two letters at pages 18-21 and 22-25 that were co-signed by Sec Zinke when he was a Congressman. Page 26 is marked to be withheld in full, but it is the draft response to elephant trophy inquiry (withheld as it has not yet been finalized or sent.)

Please Note: This package is also being sent up through Zack Gambill for the Augmented Awareness review process since it seemed like it might qualify. I'm going to send it to OS as well. So we are looking at the end of next week for the release.

Thanks,
Carrie Hyde-Michaels
